Re: Docket 7466 Department of Public Service Filing of 3rd Draft of "Comprehensive Structure" Document and 1st Draft of Initial Appointment Document.

Dear Ms. Hudson:

As agreed upon at the April 23rd workshop in Docket 7466, the Department of Public Service provides with this letter a third draft of a "comprehensive document" regarding the revised EEU Structure and a first draft of an initial Order of Appointment. The cover page of each document explains the steps taken in revision. Each document is provided in both "redline" and "clean" versions, however the "clean" versions continue to have sidebar comments in order to guide the reader through this round of changes. The Department looks forward to further improvements to these documents at the workshop on June 8th, and revisiting the schedule and process to finish these documents.

Please contact me with any questions,

Sincerely,
